

**April 2, 2019.**—Another “milestone” in the history of the Karate Five. Under the leadership of Grandmaster Willie Wilson, the Karate Five had 16 student promotions on Tuesday, April 2nd. Never in its history has this been done. We were honored to have Grandmaster Maurice Msarsa to present the 2 students with their junior black belts, and one with their 1st degree black. Sensei Linda Wilson and Sensei Melbert Lee, Jr. presented one student with their green belt, four brown belts (two are leaders) and 8 blue belts. Sensei Melbert Lee presented his personal black belt to his daughter Jada Foster for her to carry on a legacy of study and hard work. What an occasion to remember.
