

KARATE FIVE PROMOTIONS

It was promotion day at Karate Five June 22, 2015. These young karate students have worked hard to earn their promotions to a higher level. It was earned—not given:

Marianne Dean promoted from white belt to orange, Mycah Dean from white to orange, Indya Dickerson from orange to green, and Aniya Foster from orange to green.

Congratulations! Grandmaster Willie Wilson, all the sensei and instructors are so proud of you all for your hard work.
